Spring Clean-up

Every year on April 1, the Cemetery, Parks, and Forestry division begin spring cleaning in the cemetery and parks. Winter decorations are removed from the grounds in Maple Grove Cemetery, as well as sticks and leaves to prepare for the mowing season.

By Memorial Day, flags are placed on the resting places of veterans and many sites have fresh plantings planted by loved ones.

Winter Decorations

Items collected from sites that appear to be reusable are placed behind the cemetery garage for a brief time to provide an opportunity for the owner to reclaim desired items.

Monument Foundations

Foundation orders may be placed at anytime during the year by contacting the Office of the City Clerk. The City pours foundations twice a year, in the spring and in the fall.

- Lot – five spaces
- Half-Lot – two spaces
- Single Space – one space
- Baby Space – this space is equivalent to half of a single space

Burials Arrangements

Arranging a burial is most often conducted between a funeral director and the City Clerk. When a family determines to bury their loved one's remains, they may work directly with the City Clerk.
