All precincts are located at City Hall, 201 W. Ash Street.

Voter Registration

To be eligible to vote, a citizen must register at least 30 days before the election. A citizen who is 18 years of age may register to vote at the Secretary of State Office, the City Clerk's Office, or by mail. A registration form may be printed from the City website at www.mason.mi.us. A citizen who registers to vote by mail must vote in person in the first election in which he or she participates. However, overseas citizens, handicap citizens, or citizens who are 60 years of age or older are not required to vote in person the first time they vote.

Absentee Voting

A citizen that is unable to attend the polls on Election Day may request an absentee ballot. An application is available on the City website at www.mason.mi.us. A citizen must complete an application to vote absentee for each and every election held. A citizen may request in writing to be placed on a permanent absent voter list to receive an absentee application for all elections that are held. The Clerk's office will be open from 8:00 a.m. – 2:00 p.m. Saturday, November 1, to process absentee ballots.

The only permissible reasons for a voter to receive an absentee ballot are as follows:

- The voter is physically unable to attend the polls without the assistance of another.
- The voter cannot attend the polls because of the tenets of their religion.
- The voter has been appointed as an election precinct inspector in a precinct other than the precinct where they reside.
- The voter is 60 years of age or older.
- The voter is expected to be absent from the community in which they are registered for the entire time the polls are open on Election Day.
- The voter cannot attend the polls because they are confined to jail awaiting arraignment or trial.

Voter Information Center

The Michigan Secretary of State "Voter Information Center" is an online source for one-stop election information. Michigan residents can access information on their voter registration status, find the location, get directions to their polling place, and review the ballot. Visitors can access online information on statewide candidates and ballot proposals as well as tutorials on the Optec electronic voting equipment.

Photo Identification Required to Vote

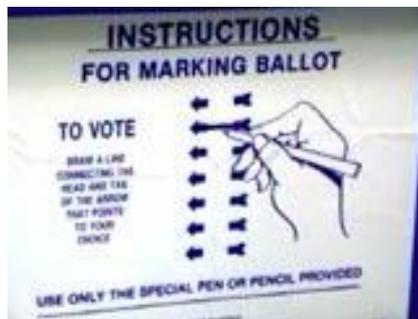

Under a Michigan law passed in 1996 and upheld in July by the Michigan Supreme Court, all voters are required to show photo identification to vote at the polls. Voters without identification will be required to sign an affidavit to receive a ballot. The identification requirement does not apply to persons voting by absentee ballot.

Accepted forms of photo identification:

- Driver's license or personal identification card issued by Michigan or another state
- Federal or state government issued photo identification
- US passport
- Current student identification with photo from high school or accredited institution of higher education
- Military identification card with photo
