

Notice of City of Mason Leaf Pickup October 24 through November 18, 2016

The Department of Public Works Division is preparing for its annual leaf pickup which begins October 24 and runs through November 18. The schedule for pickup days is:

Monday	South of Ash, East of Jefferson
Tuesday	North of Ash, East of Jefferson
Wednesday	South of Ash, West of Jefferson
Thursday	North of Ash, West of Jefferson
Friday	Catch-up day

Please keep in mind this schedule is dependent upon weather and other priorities within the Department.

The City has two leaf pickup machines to collect leaves out of the parkway (the area between the sidewalk and the curb). We ask you to rake your leaves in neat rows along the curb, not in the street. ***Please only rake leaves.*** Our machines pick up leaves, not trash and large items such as concrete, logs, pieces of steel, or garbage.

Leaves that have not been picked up between the 24th of October and the 18th of November may be taken to the City's Compost Center in paper bags. The Compost Center is located at 862 North Mason Street and will be open during the week (M – F) by appointment, and Saturdays from 9 am to 5 pm beginning October 29, 2016 through November 19, 2016. Call Kirk Crawford (676-9266) for access to the Compost Center during the week. The Compost Center accepts only leaves — no brush or limbs.

The City Parkway Leaf Collection program dates are October 24 through November 18, 2016, and the weekly Granger yard waste program continues through November 26, 2016.
