

Join us for the 2017 Mason Arbor Day Celebration!

This year's Mason Arbor Day honoree will be long-time Mason resident Robert Bryans who, in 1998-99, voluntarily planted the Memorial Garden at St. James Catholic Church on South Lansing Street in Mason. Over the past 15 years, Mr. Bryans has maintained the spacious garden which contains an assortment of small- to medium-sized trees and bushes and is home to numerous bees, butterflies and birds. The garden is open to the public and provides a sense of solitude to all who visit and walk its pathways.

Mr. Bryans chose a Tulip Tree to be planted near the entrance to Mason's City Hall closest to the Fire Department. A ceremony will be held at this spot on Friday, April 28, 2017, at 12:00 noon to honor Mr. Bryans.
