Resolution No. 2013-47 – MERS Employer Resolution Establishing Uniform Transfer Provision

STAFF REVIEW

Administration

SUMMARY STATEMENT

Officer Todd Thie has applied and been accepted for a Wastewater Operator position at the Wastewater Treatment Plant. The Fraternal Order of Police (FOP) has a B-4 Defined Benefit retirement plan with a multiplier of 2.5%. The AFSCME Union, which he would join upon his transfer to his new position, has a B-3 (with a multiplier of 2.25%) for current employees, and a C-1 (New) (with a multiplier of 1.5%) for new hires. Because Mr. Thie has successfully completed 15 years with the City of Mason, we believe it would be a disservice to treat him as a new hire.

The Municipal Employee's Retirement System (MERS) offers two options when an employee transfers from one benefit group to another. Either option requires approval of the governing body, the City Council. The default option is that the employee transfer into the open group, which would be the C-1 (New). However, they do allow for current employees to be given a choice between the two plans upon their transfer as long as the closed plan (the B-3 in this case) has current employees active in the group. Mr. Thie would like to transfer into the B-3 plan even though this would mean a significant increase in contribution for him.

RECOMMENDED ACTION

Approve Resolution No. 2013-47.

**EMPLOYER RESOLUTION ESTABLISHING
UNIFORM TRANSFER PROVISION**

WHEREAS, the City of Mason is a participating municipality or court in the Municipal Employees' Retirement System of Michigan ("MERS"); and

WHEREAS, the Standard MERS Transfer Rules became effective in August 2007; and

WHEREAS, under the Standard Rules, all transferees to a new division are covered under the active employee plan in the new division; where the defined benefit plan in the new division is closed to entrants, the accrued defined benefit (based on benefits, service and wages as of transfer date) of transferees is frozen as of transfer date.

WHEREAS, pursuant to Retirement Board action on November 10, 2010, the employing municipality or court will be allowed, on a one-time irrevocable and uniform basis, to adopt for all its MERS divisions (present and future) an alternate policy which allows all transferred employees an individual choice at the time of transfer to either be placed in: (1) the division's open plan, or (2) the closed plan if it is the same plan type, provided there are active employees remaining in the plan type.

WHEREAS, this alternate transfer provision applies to transferred employees only; rehired employees will continue to be enrolled into the active plan; and

NOW THEREFORE BE IT RESOLVED, that effective December 1st, 20 13, the Governing Body adopts this Resolution (or for a participating court, the Chief Judge by Administrative Order) for all present and future employee divisions requiring that all transferred employees (select only one):

- shall be covered under the active employee plan in the division they are transferred into.
- shall be given the individual choice to either be placed in the open plan or the closed division if it is the same plan type (in the division from which the employee is transferred from) provided there are active employees remaining in the closed plan type.

CERTIFICATION FOR PARTICIPATING MUNICIPALITY OR COURT

I hereby certify that this Resolution was adopted by (check one):

- The Governing Body of the Mason City Council at its meeting held on November 4, 20 13.

Resolution No. 2013-48 – A Resolution to Adopt the 80/20 Cost Sharing Model as Set Forth in Section 4 of Public Act 152

STAFF REVIEW

Administration

SUMMARY STATEMENT

The State of Michigan passed Public Act 152 which is intended to lessen the burden of employee health care costs on employers. This Act provides several options for communities to select, all of which have financial ramifications. Each year the governing body must elect one of the three options offered under PA 152.

Of the three options available, the Council selected the 80/20 cost sharing model last year. Currently the City of Mason pays 80% of the annual premium with the employee paying 20%. By choosing this option, we are complying with State law by reducing unfunded liabilities.

RECOMMENDED ACTION

Approve Resolution No. 2013-48.

Administration

SUMMARY STATEMENT

The City of Mason has published a bid for replacing the drive apron at the Mason Fire Station Number 1 and placement of sidewalks within the LDFA area. The LDFA project is linked to the traffic safety grant that the City has been awarded, to make safety improvements at the intersections of Jefferson Street and Kipp Road and Cedar Street and Kipp Road.

The drive aprons in front of the fire station are currently made of concrete and are deteriorating. This bid is inclusive of constructing the apron drive approach utilizing asphalt, rebuilding the base and placing an 8" asphalt drive. Also inclusive of this project is to reduce the grade, making the drive more tenable to moving the fire apparatuses without as much drag along the sidewalk. We will utilize the asphalt base for that position of the sidewalk and connect to the contiguous walkway. The sidewalk within the LDFA area is inclusive of improvements, working in concert with the Safety Grant to make improvements at the listed intersections with both new traffic signal lighting and pedestrian crossings. The sidewalks of this bid include the frontage of Meijer and a portion of Gestamp.

RECOMMENDED ACTION

Move to approve Resolution 2013-49.

Re: Mason – 2013 Sidewalks

Dear Mr. Colburn:

On Thursday, October 24, 2013, at 10:30 A.M. bids for the Mason 2013 Sidewalks were publicly opened and read aloud. A total of seven bids were received ranging from a low of \$74,936.40 to a high of \$ 151,808.20. A tabulation of bids is enclosed for your review.

The low three bids were:

TCI	\$ 74,936.40
C & D Hughes, Inc.	\$ 76,588.70
Rieth-Riley Construction Co.	\$ 80,927.25

The low bidder, TCI, is known to us and has worked on projects with us in the past including currently working on the MSU Federal Credit Union on Cedar Street. They have many years of experience in this type of work, are well thought of by their references, which were furnished on previous projects. They are a company strictly dedicated to construction. Based upon the bid being below estimate, we recommend award of a contract in the amount of \$74,936.40 to TCI for the Mason 2013 Sidewalks.

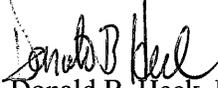

Enclosed are five (5) copies of the Notice of Award form for your signature and return to us, if the Council concurs with our recommendation. We will forward the Notice of Award, along with the contract and bond forms for TCI to fill out and return of us and will then bind them into contract documents and circulate the contracts for signature.

We will also notify TCI of our desire to have a schedule at the pre-construction meeting.

As always, please feel free to call anytime with questions or to discuss this further.

Very truly yours,

Motion – Request to Occupy the Public Right-of-Way

- Letter of Request from Brittany Perisco, dated October 29, 2013

STAFF REVIEW

City Clerk

SUMMARY STATEMENT

Ms. Brittany Perisco, Pennsylvania State University student and FOTO Canning Chair, has submitted a letter requesting to occupy the public right-of-way for the purpose of soliciting funds for the Penn State IFC Panhellenic Dance Marathon, the main benefactor of the Four Diamonds Fund at Penn State Children's Hospital. Penn State students would occupy the sidewalk at the corner of Jefferson and Ash Streets and Jefferson and Maple Streets in groups of two to three, soliciting donations that are collected in canisters on Friday and Saturday, November 8 -9, 2013, 7:00 a.m. - 4:00 p.m.

IFC is the governing body of fraternities on a particular campus. FOTO is not associated with any fraternities or sororities. THON was started many years ago by the IFC/Panhellenic. FOTO solicits funds in support of THON, and ultimately, the Four Diamonds Fund.

Ms. Perisco is unable to attend the meeting, as she will not arrive in Michigan until next week.

RECOMMENDED ACTION

Move to approve FOTO representatives to occupy the public right-of-way of Jefferson and Ash Streets, and Jefferson and Maple Streets, 2-3 persons per location, Friday and Saturday, November 8 – 9, 2013, between the hours of 7:00 a.m. – 4:00 p.m., to solicit funds for THON, the Penn State IFC/Panhellenic Dance Marathon.

October 29th, 2013

To: Debbie Cwierniewicz, Mason City Clerk
201 W. Ash Street
Mason, MI 48854

My name is Brittany Persico, and I am the canning chair of my organization, FOTO, that is part of the Penn State IFC/Panhellenic Dance Marathon. The purpose of this letter is to verify the cause and purpose behind the efforts of those students participating in canister solicitation for the Penn State IFC/Panhellenic Dance Marathon, and to provide our endorsement of their efforts.

Affectionately known as THON, the Penn State Dance Marathon is the main benefactor of the Four Diamonds Fund at Penn State Children's Hospital. The mission of THON is to conquer pediatric cancer by providing outstanding emotional and financial support to the children, families, researchers, and staff of the Four Diamonds Fund.

Since 1977, THON has contributed more than \$101 million to The Four Diamonds Fund. Last year alone, the students of Penn State Dance Marathon raised \$12,374,034.46 for children with cancer. Without the solicitation efforts of Penn State students, the success of the Four Diamonds Fund would not be possible.

As a registered organization of Penn State Dance Marathon, FOTO, #1336, respectfully requests your assistance in their fundraising efforts. During three weekends throughout the year (exact dates can be found on www.thon.org), students can solicit funds via canister solicitation. This means that students stand with an actual can, collecting spare change from those passing by. All students carry a Penn State ID and hold official THON cans and signs. The students who are soliciting were made aware that they must adhere to the applicable rules and regulations of Dance Marathon as well as the local area, business, or organization's rules, laws, and/or ordinances. The weekend that FOTO is requesting to participate in canister solicitation in your town is Friday, November 8th- Sunday November 10th, 2013. We would be canning on that Friday starting at 7am to around 4pm, and the same goes for the Saturday of that weekend. The two intersections we are asking to use are Jefferson Street and Ash Street, as well as Jefferson Street and Maple Street in Mason. There would be anywhere from 10-15 students (ages 21 & over) participating in canning that weekend, meaning that the two intersections we are requesting to use would have 2-3 people canning there. I can provide you with a list of student names, if needed, once I receive verification that you would allow this to take place. I hope I have given you all the information you are requesting, however, please feel free to contact us with any questions, concerns, or comments. You can reach me at director@thon.org, 1-800-392-THON or via www.THON.org, or www.fotoftk.org.
