PUBLIC HEARING

Fiscal Year 2014-2015 Budget

Colburn spoke regarding the proposed budget for FY 2014-2015.

Clark opened the public hearing at 8:03 p.m.

Norm Austin, City of Mason Retired Finance Director/Treasurer stated that he is opposed to the elimination of the Human Resource Director position.

Kathy Revels, City of Mason Human Resource Director, gave her history as a City of Mason employee for the past 20 years. She stated that she was promoted to Project Manager for the new City Hall in 2010 with a \$71,548 salary. Following the building of the new City Hall, an audit was initiated, of which she was not given concluding results. She stated that the City Administrator suggested hiring Central Solutions as the telecommunications company various times, but because they were not her preferred company, she would put their name aside. Eventually, the City Administrator directed her to hire Central Solutions to provide the

telecommunications for the new building. Ms. Revels stated that in 2011, she was demoted to Human Resource Director with a salary of \$53,000. In 2012 she was made an 80% employee and her salary was reduced to \$42,400. In 2013, she learned that her job was in jeopardy through the newspaper. The proposed FY 2014-2015 Budget eliminates the Human Resource Director position. She stated that she would be eligible to retire in sixteen months; however, the elimination of her position would reduce her benefits. She commented that common practices for reducing the budget were not used; but a pattern emerged by reducing one position consistently for three out of four years.

Virginia Kenny-Sweet, City of Mason Administrative Assistant, stated opposition to eliminating the Human Resource Director position and stated she is resigning her part-time position at the reception desk.

Don Keith of 101 Avon Drive commented on the City Administrator. He stated opposition to eliminating the Human Resource Director position.

Jennifer Armstrong of 428 Raging River Street stated opposition to eliminating the Human Resource Director position.

Loretta Kraus of 252 Kiwanis Drive, Apr. 4 stated that she is Ms. Revels' mother-in-law. She stated opposition to eliminating the Human Resource Director position and asked Council to reconsider.

Patrick Price, City of Mason Retired City Administrator, stated opposition to eliminating the Human Resource Director position. He added that the City Council has a duty to investigate the ethics and the legalities of what has occurred over the last two years, because the reduction of pay and work hours, and no reduction of duties, is ethically wrong. Lastly, he stated that the budget could be balanced through the prior year's surplus funds.

Brian Revels, City of Mason Volunteer Fire Fighter, stated that he is Ms. Revels' husband. He stated opposition to eliminating the Human Resource Director position.

Heidi Berridge of 4545 South Green Gables stated that she is Ms. Revels' daughter. She stated opposition to eliminating the Human Resource Director position.

Ryan Berridge of 4545 South Green Gables stated that he is Ms. Revels' son-in-law. He stated opposition to eliminating the Human Resource Director position.

Allison Revels of 4510 Toles Road stated that she is Ms. Revels' daughter-in-law. She stated opposition to eliminating the Human Resource Director position and asked Council to consider the statements made by Ms. Revels.

SUMMARY STATEMENT

The Mason Farmers Market Association will be holding its annual Farmers Market this summer and is requesting to close the center portion of the 100 block of East Maple Street between South Barnes Street and the west edge of the Ingham County Hilliard Building on Saturdays between 6:00 a.m. and 2:00 p.m. from July 12, 2014 through October 4, 2014. The street closure request is for the purpose of selling agricultural produce and related items. They are also requesting the loan of four sawhorse barriers and eight cones for the season from DPW, as in previous years.

During the “Sun Dried Music Festival,” the Mason Farmers Market will move to the Austin Park Pavilion. On September 20, during Mason “Down Home Days,” they plan to extend the market until 4:00 p.m., and make arrangements for the space with the Chamber of Commerce. As in previous years, a free space for community organizations to publicize events will be available.

RECOMMENDED ACTION

Move to approve the request of the Mason Farmers Market Association to use the public right-of-way by allowing the closure of East Maple Street from South Barnes Street to the west edge of the Ingham County Hilliard Building, Saturday mornings, July 12, 2014 through October 4, 2014, between the hours of 6:00 a.m. and 2:00 p.m., along with the loan of four (4) sawhorse barriers and 8 cones for the season from DPW.

Honorable Mayor and City Council:

The Mason Farmer's Market Association is again asking for permission to operate the market; and close the center portion of the 100 block of East Maple Street. As always, we will be sensitive to needs of businesses and their need for parking. The market will be blocking the street on Saturdays between 6 a.m. and 2:00 p.m. from July 12 through October 4, for the tenth year. Market rates remain the same, with an added discount for full-season vendors. Insurance will be arranged as in previous years. We have agreement from both the Presbyterian and Methodist Church. We also request loan of four sawhorse barriers and 8 cones for the season from DPW as in previous years.

We will move to the Austin Park pavilion for the weekend of the Sun Dried festival, August 23. On Down Home Days, September 20, we will extend the market til 4 p.m. and arrange the space as usual with the Chamber. We set up the market an hour early at 8 a.m., and that has worked very well to date. As we do every year, there is always a free space for community organizations to publicize their programs each week. Please feel free to encourage community organizations to contact me for information.

Sincerely,

Elaine Ferris, President
Mason Farmers Market Assn.

MEMORANDUM

Date: May 30:2014

Ref: Mason Farmers Market Street Closure Request

On Friday, May 30, 2014, I received a copy of a request as submitted by Ms. Elaine Ferris, President of the Mason Farmer Market Association. The request is for street closure of the 100 Block of East Maple Street from Jefferson Street to Barnes Street, for purposes of conducting the Mason Farmers Market starting July 12 through October 4, 2014. The times of the market are from 6 a.m. to 2 p.m.

I have submitted the request to Mr. Richard Terrill, Grounds & Facilities Director for Ingham County to determine whether there would be any conflicts. In speaking with Mr. Terrill he has told me that there are no conflicts with this request.

The Mason Police Department has no objections to this request with the following stipulation. No vendor is permitted to operate within the center of the street in the 100 Block of East Maple. The center of the street shall be kept open to allow for access by emergency services vehicles and staff.

The Mason Farmers Market Association will need to make arrangements with the Mason Department of Public Works to secure and for placement of traffic control devices such as barricades, and orange cones in advance.

RE: City Administrator's Report

Ingham County Trails and Parks Millage Proposal Update

The Ingham County Trails and Parks Task Force met on May 12, 2014, in large part to discuss the proposal for an Ingham County Trails and Parks Millage. A Power Point from the Parks and Recreation Commission was presented titled, "The Economics of Parks, Recreation and Natural Resources." Additional discussion items included:

- Whether the people of Ingham County want the millage
- Other potential County millages
- How trails could impact the use of parks
- Possible crime in the parks after dark and how to avoid it
- Whether a millage passing would potentially have an impact on eliminating or reducing parking fees

A vote was taken, asking if the Trails and Parks Millage Proposal should be sent to the County Services Committee. This vote **passed** with one 'no' vote (Vickers). A second vote also **passed** (with the same outcome) to decide if the proposal should appear on the November 2014 ballot. I will keep you updated as this matter evolves.

City Hall Landscaping Update

Blue Grass Landscape Company will start work on the City Hall landscaping project—dependent on weather—the week of June 9, 2014. The work is expected to take approximately a week, again depending on the weather conditions. The grass in the center islands at City Hall is available for residents to take in advance of Blue Grass starting their work.
